

MITCA Members,

This letter is to inform you that we have moved our track clinic to a new location. After 25 plus years of doing business at the Causeway Bay location there were certain events that made it impossible to continue our relationship with them. Our new home will be the Crowne Plaza on the west side of Lansing. We truly believe you will notice a difference in professionalism, food quality, and cleanliness. In addition we were able to make the switch without raising the amount paid to attend the clinic, but there will be a slight increase in hotel room rate. Since we are in a new agreement, we need to make sure our rooms are booked early, so please do so. To make this change in hotels we had to change the date of the clinic to one week earlier as you can see in the chart. Below you will find the information for the Cross Country Clinic and the Track Clinic for the upcoming year.
