Hello everyone, it is my privilege to serve you as the new 3rd vice president. I attended my first fall executive meeting on October 27 and 28 in Sioux Falls, South Dakota. The site of the 2018 NHSACA National Convention. This year’s executive committee includes the following members: Executive Director Dave Dougherty, President Dave Dolan, 1st Vice President Kirk Price, 2nd Vice President Ted Schroeder, Immediate Past President Joe Cliffe, State Executive Secretaries Representative Darin Boysen and myself. The executive committee has great insight into this organization and have helped me to get on board. Their leadership has already moved the organization in a positive, debt-free direction.

Reminders/Updates

The COTY nomination forms are due by November 27. They should be sent to Dave Dougherty. Please remind anyone you know who is filing an application.

Hall of Fame information has been sent out. Please make sure that your nominees are sending their personal information sheets to Dave Dougherty. Representatives from the South Dakota Coaches Association gave an update on the plans for the 2018 convention. They are well on their way to making this a great convention. Jerry Miller, Jim Dorman, and Virg Polak are key players in this project.

Convention information/registration may be found on the website at hscoaches.org.

The 2017 BUILT WITH CHOCOLATE MILK Coaches Challenge concluded with Lexington High School from Lexington, Nebraska winning the $10,000 prize. Built with Chocolate Milk is a key contributor to our organization.

It is a software program used for recording all matches played and will be a tremendous asset in seeding tournaments going forward. It becomes mandatory for all teams and coaches in the fall of 2018 if a team wishes to compete in the state tournament. Also being discussed by the MHSTeCA board was locations of future state tournaments and whether or not those should continue to rotate year to year across divisions or stay in one place to better accommodate logistical concerns.

The board remains concerned with the declining number of boys playing tennis in the fall and will continue discussion about the season switch and its effect on our sport. A few proposals were made including: putting finals programs online, adding additional teams to the state tournament (as an honors qualifier, or by changing the necessary point total), having regional managers submit complete tournament results to the MHSAA, as well as having them forward more finalized seeding information on the state committee. We remain pleased with the work of our claims committee, the work of the state seeding committee, our Facebook page (Twitter was mentioned as a possibility too), and our appeals process for awards.

Three coaches will be inducted into the Hall of Fame this February: Roger Cornelius of Gull Lake, Jim Slaughter of U of D Jesuit, and Clarence Wynn of Cass Tech. Our Tennis Workshop will be February 2-3 in Troy, general membership meeting on February 3rd, and spring board of directors meeting on June 16, 2018.

The candidate must have distinguished himself/herself with good coaching ethics and promoted good sportsmanship throughout his/her coaching career. *The AD or principal’s signature confirms this. Ten (10) years of coaching outside of Michigan may be applied to the application. Coaching at any level may be applied as long as it is a school sponsored interscholastic sport. To receive a general coaching certificate the candidate must have been coaching at least one sport per year at any level for the requested number of years. To receive specific certificates for a single sport the candidate must qualify for the specified number of years in that sport. This can be at any level. You cannot however count more than one level or season for a sport in any one year. For example, coaching both boys and girls basketball during the same school year counts as “1” year; coaching both 7th grade boys and JV boys during the same school year counts as “1” year. Up to three (3) years may be included for active duty military service which delayed or interrupted an applicant’s coaching career. Awards for 30 years and more (plaque) will have the sports that the candidate coached listed on the plaque. The coach will be presented only one award for each level of service after 30 years.

For more information go to www.mhsca.org or contact Mike Jolly at E-mail to: disathlet ics@aol.com

The MHSCA Board of Directors recognized Rich Tompkins (1946-2015), former Executive Director, for his service to high school athletics by naming the multi-sport athlete award in his name.

Each school in the state can nominate one boy and one girl from their school for the MHSCA Rich Tompkins Multi-Sport Athlete Award. The only requirement for the athlete is that they must have participated in a least 3 sports for all four years of high school. Information will be sent out through the help of the MIAAA to all AD’s in the state.

Nominations are due by April 15th and must be submitted by the school’s principal or AD. Each of the nominees are evaluated on the basis of their athletic achievements (both individual and team), scholarship, leadership and service. The committee utilizes a rubric to rate the candidates.

All of the nominees receive a high quality certificate from the MHSCA in honor of being their school's honoree. Additionally, one boy and one girl from each of the four classes of schools (A, B, C, D) receive a plaque as the MHSCA State Multi-Sport Athlete of the Year.

For more information contact Mr. Larry Merx, MHSCA 2nd Vice President at: larrymerx@gmail.com or go to MHSCA.org

The nation's highest military award to James McCloughan, a 71-year-old resident of South Haven.

Medal of Honor to a retired west Michigan high school teacher and coach who as a medic is credited with saving the lives of 10 members of his platoon during the Battle of Nui Yon Hill in Vietnam nearly 50 years ago.

“We are forever grateful for then-Private First Class James McCloughan’s service to our country

As the Free Press previously reported, McCloughan, was a 23- year-old medic who, over the course of a bloody, two-day battle in May 1969 near Don Que, returned to the battlefield multiple times to retrieve wounded soldiers despite being hit with shrapnel from a grenade and being shot in the arm McCloughan, who was drafted into the Army after graduating from Olivet College with a bachelor of arts in sociology and a teaching certificate, spent nearly four decades after returning to Michigan teaching psychology, sociology and geography at South Haven High School and coaching football, wrestling and baseball. He is a member of the Michigan High School Coaches Hall of Fame.

Lacrosse, Boys – absent – REPORT PRE-SUBMITTED BY MIKE JOLLY

The MHSAA pre-season seeding meeting took place in October and the top 8 teams in Division I and Division II were placed in the 8 regions. Geography and travel distance was factored in to the final decision. A second meeting will take place in late May to seed each region from top to bottom (8 or 9 teams per region) and each of the regions will also be seeded to determine the playoff progression (1 v 8, 2 v 7, etc.).

The MHSLCA has reviewed and upgraded its All State selection process to include the use of computerized electronic voting via the Internet. This service which costs approximately $300/year will broaden the participation of the selectors and will be used for other projects in addition to All State selection.

Concrete movement is taking place for the creation of the MHSLCA Coaches Hall of Fame which will be housed at the Lacrosse Stadium of the University of Michigan.

Lacrosse, Girls – absent – NO REPORT

Skiing – absent – NO REPORT

Softball – Ted McIntyre - softball clinic January, UP concerns – no baseball so when softball is linked to baseball in MHSAA scheduling it does not make sense, separating the two sports.

Swimming – Chuck Olson - Girls season just ending up. Three divisions for both boys and girls. Clinic 2nd weekend in September, Battle Creek – Membership up.

Tennis – Eric Gajar - All-State and COTY, banquet and clinic. On line report of scores, accessing state wide records, fall concern with number of boys participating. Trying to get more teams to the state tournament. State tournaments should continue to rotate.

Volleyball – Jodi Manore - Clinic - Lisa Glass – hold in Battle Creek. NCAA basketball impacts basketball which will impact volleyball.

Wrestling – Mark Holdren - There is a change in state finals venues – the Individual Finals will be a 2, not a 3, day tournament held at Ford Field and the Dual Meet Finals will be held at wings stadium in Kalamazoo. Dan Hutchenson, MHSAA, has developed a communication process that involves the MWA. The constitution has been rewritten to include regional directors as voting members of the Executive Board.

Michigan High School Coaches Association Distinguished Service Award is one of our highest award for services and contributions sports in the state of Michigan.

The MHSCA Distinguished Service Award:

MHSCA recognizes individuals and organizations who have provided extraordinary service to educational athletics, the advancement student athletes, coaches, or those who serve interscholastic athletics through its Distinguished Service Awards.

The Distinguished Service Award (DSA) is given to a person (or persons), either volunteer or staff, who have exhibited valuable professional service (within the MHSCA or among its association membership) including academically, supportive, service, or assistance distinction at any level of interscholastic athletics. These criteria are good measures of acceptable candidates and help to assure that recipients have a wide range of "service" that they provide to the profession of interscholastic athletics. Nominations should be submitted on an individual basis, not by a group or on behalf of constituent groups (conferences, affiliates, assemblies, committees, etc).

The MHSCA Distinguished Service Award does not need to be awarded each year. This award should be bestowed only when the MHSCA Board of Directors committee decides that nominations warrant presentation of the award. This award may be given posthumously.

- Why nominate? Someone for the MHSCA Distinguished Service Awards:
  - Represent an opportunity to steward high-impact on interscholastic athletics
  - Recognize institutions for their affiliation with individuals who demonstrate the highest level of professionalism and commitment to interscholastic athletics.
  - Are judged by peers and colleagues as a creditable nominee.
  - Celebrate individuals who epitomize the profession's highest standards for interscholastic sports
