September 2019

MHSCA Hall of Fame Class of 2019

Formal induction of the Class of 2019 took place on September 15, 2019 in the Terrace Room of the Bovee University Center on the campus of Central Michigan University.

The coaches listed below make up the 2019 MHSCA Hall of Fame inductees:

Jack Brown - Battle Creek St. Philips Central High School (wife Mary pictured)
Joyce Christmann - L’Anse Creuse High School
Thomas Claus - Jonesville High School
Jim Leonardo - Grandville High School
Victor McGuire - Annapolis High School
Doug McKay - De La Salle Collegiate High School
Tom Micallef - Ypsilanti High School (Not Pictured)
Darrin Millar - Royal Oak High School
David Miller - Jackson Lumen Christi
Steven Porter - Milan High School
Len Perkins - Anchor Bay High School
Dan Skatzka - South Lyon High School
Dan Stolz Okemos High School
Mark Thomas Brighton High School
Norbert Weglenka Flat Rock High School

The MHSCA Hall of Fame originally was the idea of Brick Fowler, who felt that some recognition should be given to people who had served many years in the coaching field. This idea was adopted and the first class of the MHSCA Hall of Fame was inducted in 1957. In 1962, a Hall of Fame Room was established in Win Schuler’s Restaurant in Marshall. Through the generosity of the Paul Smarks estate, the Hall of Fame Room was moved to Bovee Student Services Center (Student Union) on the campus of CMU in 1971. The Hall was moved to a room in the Student Activities Center (SAC) adjacent to the Rose Arena in 1996. The Hall eventually out grew that space (too many plaques and not enough wall space) and was moved again in 2014 to a hallway of the SAC that is the entrance and exit closest to the parking lot of the entire SAC and Rose Arena complex. So this most recent edition of the MHSCA Hall of Fame is truly a HALL of Fame.

It features a gigantic Wall Mural which feature athletes and coaches in competition. Also instead of the wall plagues the new HOF also features a computer kiosk on which will be pictures of all of the inductees of the members of the Hall. The members can be looked up by name, their year of induction and their community or school. With the class of 2019, we will have almost 700 members

Also pictured, MHSCA Distinguished Service Award Winner Ron Tomassoni Grand daughter Paula and His son Pete receiving on his behalf. Coach Tomassoni passed away in 2010.

Included are 50 years of service honorees, Gay Sharpe, Len Perkins & Steve Porter.
How do Captains learn to “Captain”?

From Michigan High School Gymnastics Coaches and Judges Association. Mr. John Cunningham.

We have elected or selected captains of our teams from day one based on our teams or our consideration of who would make the best leader.

Usually we are right. Even when we are, however, the best candidate usually has no real idea what it means to be a captain.

Remember, this teenager without any guidance can’t “Just do it”, and hope for success.

Being a captain is much more than a star on your jacket. There is no magic wand that we can wave over our athletes and expect Olympians, neither can we throw them into the fire and expect good leaders, organizers, and examples.

I’m guessing that a majority of them are expected to figure it out on their own.

Many coaches do either sit down and explain or write out criteria for the newly elected team leader. Some districts form “Captains Clubs” to give direction and ideas.

Two years ago the retired Plymouth gymnastics coach, Pam Yockey, made it a requirement that anyone seeking to be captain had to take either the MHSAA or NF “Captains Course”. What a great idea! I now require it also. The first of my aspiring captains who took the course said: “Coach, now I understand why you were frustrated with last year’s captains!” This year...no frustrations at all.

Keep in mind how important a good captain can be to the coach, team, and school.

Please give that new captain a chance to be successful for you and the team.

Greetings from Nebraska.

Fall sports season is underway with teams learning about themselves and their competition.

It has been fun to get out and see high school athletes compete and new leaders stepping up and freshmen and sophomores learning the ropes.

I hope you are enjoying the season as much as I am.

The Executive Committee has some exciting news to report after our Skype meeting on September 15.

The NHSACA will be introducing a new major award starting at the 2020 convention. The award will be given annually to a female who has promoted the coaching profession, female athletes, and an opportunity to serve.

The award will be named the: KATHY HOLLOWAY Women of Inspiration Award. The Executive Committee will iron out the details for the award with input from Kathy and her family.

The second announcement from the Executive Committee is that Nebraska has offered its clinic for a second year and will be the host the National Convention again in 2021.

Since this will be the second year in a row Nebraska is hosting, Nebraska and the NHSACA will be looking for states to help assist financially.

Wyoming has already showed a big commitment to 2020 and should be commended.

South Dakota has committed assistance for 2021. Nebraska has already committed over $30,000 to the 2020 convention.

Over 2000 Nebraska coaches alone will attend the clinic portion of the convention. The sessions will be true educational experiences.

I would challenge everyone to attend sessions and get the word out that the NHSACA convention is growing even bigger after great hosts in South Dakota and North Dakota set the stage.

I remember when I started coaching the older coaches would talk about going to the national clinic and what a great clinic it was.

We need that talk to continue in high schools across the nation. Darin Boysen has consistently provided outstanding clinicians who will give great information and inspire coaches of all ages.

Now we will add our national coach of the year finalists to the list of national, collegiate, and high school level coaches to make this one of the best clinics in the nation.

I hope you will start talking to others about it now and try to get coaches from your area to attend. I know they won’t be disappointed.

I again challenge you to get involved with the clinic sessions and find that inspiration to make you a better coach, teacher, and administrator.

I am excited to hear that strength and conditioning will have sessions starting with the 2020 clinic.

This will be a first at the Nebraska Coaches Clinic. More information on clinicians, topics, etc. will be coming soon.

Coach of the year and Hall of Fame information has been sent to the state executive directors.

State directors should be distributing the information to their nominees.

If you have suggestions for nominees, and your state doesn’t have a procedure for nominating, let your director know your thoughts.

President Ted Schroeder challenged our committees to communicate each month on the topics from convention and anything new to improve the association.

Don’t wait for your committee chair to start the process if you have something to share.

Don’t let those convention notes gather dust, communicate.

I asked everyone during a mission moment to email me their answer to the following question: why do I belong to NHSACA? I have a few responses, but I am looking for more.

Please email me your reason, and I will compile a list. I would like to use this information to help in our recruiting process. I think we could also add it to our website.

Please email me your reason, and I will compile a list. I would like to use this information to help in our recruiting process. I think we could also add it to our website.

Have a great fall season.

Sincerely, Rocky Ruhl

Michigan High School Coaches Association Distinguished Service Award is one of our highest awards for services and contributions to sports in the state of Michigan.

The MHSCA Distinguished Service Award:

MHSCA recognizes individuals and organizations who have provided extraordinary service to educational athletics, the advancement student athletes, coaches, or those who serve interscholastic athletics through its Distinguished Service Awards.

The Distinguished Service Award (DSA) is given to a person (or persons), either volunteer or staff, who have exhibited valuable professional service (within the MHSCA or among its association membership) including academically, supportive, service, or assistance distinction at any level of interscholastic athletics. These criteria are good measures of acceptable candidates and help to assure that recipients have a wide range of "service" that they provide to the profession of interscholastic athletics. Nominations should be submitted on an individual basis, not by a group or on behalf of constituent groups (conferences, affiliates, assemblies, committees, etc.).

The MHSCA Distinguished Service Award does not need to be awarded each year. This award should be bestowed only when the MHSCA Board of Directors committee decides that nominations warrant presentation of the award. This award may be given posthumously.

Why nominate a deserving candidate for the MHSCA Distinguished Service Awards:

· To recognize person who has positively impacted interscholastic athletics in a significant way;
· To recognize institutions for their affiliation with individuals who demonstrate the highest level of professionalism and commitment to interscholastic athletics;
· To confirm and honor a superior servant by his/her peers and colleagues;
· To celebrate individuals who epitomize the profession’s highest standards for interscholastic sports;
